

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

WILLIE DARNELL JOHNSON,

Petitioner,

v.

RON BROOMFIELD,

Respondent.

Case No. 98-cv-04043-SI

**ORDER REGARDING MOTION FOR
CLARIFICATION**

Re: Dkt. No. 550

Petitioner has filed a motion requesting clarification of the status of claims contained in his habeas petition. A review of the record reveals the following:

- 1) Claims B, C, D and a portion of claim Q involving allegations that jurors consumed alcohol during deliberations were denied an evidentiary hearing. ECF Dkt. No. 119. The Court did not, however, address the merits of these claims.
- 2) Portions of claims J, P, R, T, U, V and W have been stricken. ECF Dkt. No. 287.
- 3) Claims A, H, I, P and a portion of claim Q alleging that jurors were exposed to extra-record statements during deliberations have been denied on the merits. ECF Dkt. Nos. 379, 538 & 549.

It appears that the remaining claims of the petition have not been adjudicated. The Court directs the parties to submit a joint statement outlining a proposed litigation schedule for the remainder of petitioner's claims by May 31, 2022.

IT IS SO ORDERED.

Dated: March 29, 2022

SUSAN ILLSTON
United States District Judge
